I realize that persons operating my vehicle between the hours of 1:00 AM and 5:00 AM, with consent, are subject to a police stop under circumstances in which the police reasonably suspect that the vehicle may be stolen. In these instances, police action will include the necessary precautions generally taken to protect officers when approaching a potentially stolen vehicle. I agree specifically to advise the person to whom I give possession of the vehicle, that this agreement exists and that they will be subject to being stopped by the police during the prescribed hours. I will not authorize such person to let anyone use the vehicle. **I understand that in order to withdraw from participation in this program, I must remove the decals from my vehicle and notify the Arizona Automobile Theft Authority in writing.** I further agree to remove the decals prior to the sale or transfer of ownership on my participating vehicle. A SOLD notice (on the back of your vehicle registration) when returned to MVD and entered into the system, will serve as a cancellation to the "Watch Your Car" program. A remittance of a change of address to MVD will automatically update the "Watch Your Car" program. However, **any change in telephone numbers** must be submitted in writing to this office for update.
