RE: Highlights of FY2019-2020 Preliminary Budget

The budget process for Fiscal Year 2019-2020 began with the Council Retreat on February 2, 2019. At this session the Mayor and Council identified several projects and programs for staff to pursue, and the FY 2019-2020 budget proposal reflects these Council priorities. Investments in these budget priorities are within budget parameters for next year without any proposed tax increases. The total estimated budget, excluding inter-fund transfers (\$7,828,150) and the Agency Fund, is \$42,599,259. The preliminary budget is approximately 17.73% less than the FY2018-2019 budget of \$51,779,600. Most of this reduction is due to the completion of City Hall and major water and sewer projects funded by the Water Infrastructure Financing Authority (WIFA).

This memorandum summarizes the City's revenue outlook, proposed program initiatives, major capital projects, and goals and objectives for the upcoming fiscal year beginning on July 1, 2019. As we close out the FY 2018-19 budget year and enter next fiscal year, the City's General Fund remains strong which is reflective of the revenue growth within the State of Arizona. The City's General Fund revenues, excluding fund balance, are projected to be \$13,569,750 which is 3.46% greater than last fiscal year. This is primarily attributed to increases in the City's allocation of State Shared revenues, such as State income tax, State sales tax, and Auto Lieu Tax. Based upon the General Fund revenue projections for FY2019-20, City staff is recommending a budget with a reduction in the primary property tax rate from \$1.1210 to \$1.0867 per \$100 of assessed valuation.

The City's Enterprise Funds (Water, Sewer and Sanitation) face financial challenges in the years to come. The water and sewer customer base has been declining while capital costs and operational expenses continue to increase. Further, the City's membership fees in the Central Arizona Groundwater Replenishment District continue to put a financial strain on the Water budget. Staff will explore the possibility of selling historical water credits to provide additional funding for debt service and/or capital projects. To provide a long-term financial strategy for the Enterprise Funds, staff proposes to embark on a user rate study for water, sewer and sanitation services, as well as evaluate the possibility of providing a transfer station at the landfill in order to reduce the expenses of operating heavy equipment on a daily basis in the burial of waste materials.

The strategic goals and objectives for the FY2019-2020 budget can be grouped into three major areas – A. Economic Development; B. Infrastructure Improvements; and C. Financial Management. There are new initiatives as well as several carry-over projects and programs for the upcoming fiscal year. Major carry-over projects include the design and renovation of the Police Department, additional wayfinding and directional signage, water and sewer system improvements, and Downtown Façade improvements.

In the FY2019-2020 budget proposal, there will be continued focus on major infrastructure projects with the remodeling and rebuilding of the existing City Hall into a modern Police Department, construction of new T-Hangars at the Airport, continued investment in the Downtown, and park improvements. To address traffic safety concerns, intersection improvements will be proposed at Main Street and Frontier Blvd. and Sunland Gin Road and Arica Road. In addition, a Development Impact Fee study and Municipal Airport Business Plan are proposed for funding in FY 2019-2020.

In order for the City to continue to retain and attract highly qualified employees, staff is proposing a maximum merit increase of 2.5% for all eligible employees, which will cost approximately \$100,000 including benefits. Blue Cross Blue Shield of Arizona is projecting a 7% rate increase to the employee medical insurance premium, which will cost approximately \$125,000 annually. Arizona State Retirement System (ASRS) will be imposing a slight increase in retirement contributions, for both employees and employers, from 11.80% to 12.11%. Public Safety Personnel Retirement System (PSPRS) is also increasing the employer contribution rate from 36.95% to 39.24%. These retirement rate increases will cost approximately \$56,300 more than last fiscal year.

In the FY2018 – 2019 budget, a part-time Management Assistant was included in the City Manager’s office. This position was not filled. For next fiscal year, it is proposed that this part-time position be converted into a full-time position which would focus on public information/affairs, special projects as well as providing additional administrative support to the City Manager. In addition, the Police Department received Council approval this fiscal year to convert a part-time Communication Technician into a part-time Community Service Officer (CSO). Since it was difficult to fill this part-time position with a qualified individual, staff proposes to make this a full-time CSO position which would give the Police Department two CSOs to supplement the duties of sworn officers. Two CSO positions were recommended in the Citygate Associates’ Comprehensive Services Delivery and Staff Review completed for the City in November 2016.

In preparing this budget proposal staff has taken a fiscally prudent approach to expenditures and revenue projections, with an emphasis on continuing to invest in Eloy with additional street improvements, upgrades to City facilities and buildings, and more emphasis on promoting and expanding the City’s economic base.

Below is a summary of the highlights in the FY2019-2020 budget proposal:

### **Economic Development**

- ) Initiate a study of the Water Tower for repainting and lights – (\$25,000)
- ) Update and improve building facades along Main Street (south of 6<sup>th</sup> Street and Frontier Street) – (\$160,000)
- ) Develop and implement a Landscape Plan for Main Street and/or upgrades to Main Street Park – (\$211,000)
- ) Complete improvements to the Santa Cruz Valley Museum building and Visitor Park area - (\$125,000)
- ) Development of a Municipal Airport Business Plan – (\$23,000)
- ) Conduct a community survey to assess adequacy of City services and facilities – (\$20,000)

- ) Aggressively market the assets of the City to the real estate community and Industrial Site Selectors
- ) Continue to attend and participate in regional and state economic development events and forums (i.e. Pinal Alliance for Economic Growth, Arizona Commerce Authority, Pinal Partnership, Sun Corridor, Arizona Association for Economic Development, etc.)
- ) Increase distribution of information regarding the City through social media and a public information affairs position (Management Assistant) in the City Manager's office.
- ) Update and enhance the City's Website.

### **Infrastructure Improvements**

- ) Develop and implement a pavement preservation program for roads (\$700,000)
- ) Evaluate options and complete improvements at the intersection of Sunland Gin and Arica – (\$375,000)
- ) Initiate pedestrian safety improvements at the intersection of Frontier and Main Street - (\$145,000)
- ) Replace the ballfield lights at Shumway Park - (\$250,000)
- ) Additional Wayfinding/Directional Signage – (\$100,000)
- ) Install new T-Hangars at the Eloy Municipal Airport – (\$450,000)
- ) Improvements to Booster Station 1 – (\$600,000)
- ) Complete installation of Modular Office/Restroom at Landfill – (\$50,000)
- ) Purchase Hydraulic Valve Exerciser Trailer – (\$65,000)
- ) Replacement of Water Valves – (\$50,000)

### **Financial Management**

- ) Prepare and adopt a revised and updated Development Impact Fee Study and Infrastructure Improvement Plan – (\$85,000)
- ) Initiate a Utility Rate study to evaluate the adequacy of user fees for water, sewer and sanitation enterprise funds – (\$60,000)
- ) Evaluate financial feasibility of installing a Transfer Station at the Landfill – (\$300,000)
- ) Funding of marketing for Complete Count Committee activities for 2020 Census – (\$50,000)

- Explore opportunities to sell historical water credits to generate revenue for the Water Fund
- Continue the partnership with the Town of Florence for sharing of the Magistrate Judge services
- Assess financial implications of Justice Court and Municipal Court for budgeting purposes
- Continue to explore grant opportunities for funding various services and facilities
- Continue to submit the City's audit to the Government Finance Officers Association for the Certificate of Achievement for Excellence in Financial Reporting

The development of the FY2019-2020 budget was truly a team effort. The department directors and supervisors provided valuable input into the process, and I appreciate staff continuing to be excellent stewards of public resources. A special "Thank You" goes out to the Mayor and Council Members for their support of City staff, and their commitment to providing staff with the resources needed to continue to improve upon the efficient delivery of city services and facilities.

Respectfully submitted,

Harvey Krauss  
City Manager

## **Tentative Budget Summary for Fiscal Year 2019 – 2020**

Staff is pleased to present a balanced budget for Fiscal Year 2019-20. The total estimated budget beginning July 1, 2019 and ending June 30, 2020, excluding inter-fund transfers (\$7,828,150) and the Agency Fund (\$72,000,000), is \$42,599,295. This represents a decrease of \$9,180,305 or 17.73% less than the FY 2018-19 annual budget of \$51,779,600. Of the \$42,599,295 annual budget, \$12,569,750 or 29.51% is the General Fund allocation, \$6,681,325 or 15.68% is allocated to Enterprise Funds, \$23,344,870 or 54.80% is allocated to Special Revenue Funds (such as the Capital Improvement Program, Police Facility, Grants, and the Airport Fund) and \$3,350 or .01% is allocated to Perpetual Care Fund.

The overall budget, including transfers and agency funds, is \$122,427,445 for Fiscal Year 2019-20. Of the \$122,427,445, \$72,000,000 is for the disbursements to CoreCivic for funds received from the Federal Government. Per governmental accounting principles, all funds received from CoreCivic are classified as Agency Funds. Agency Funds, also known as Fiduciary Funds, are not required to be in the annual budget schedules because Agency Funds represent assets the City holds for others. Annual budgets for Agency Funds, while not required, may be prepared for internal management purposes. Staff has prepared the annual budget showing the Agency Funds but will be excluding the Agency Funds when adopting the tentative and final budget.

The Fiscal Year 2019-20 annual budget provides a very strong and positive financial program but instills conservative analysis to volatile revenue programs. Staff has approached this budget in a manner, which will stay within the confines of projected revenues and strategic initiatives. A conservative approach to revenue projections continues to be the philosophy of the City and is reflective in the forecasting of the City's revenue base to ensure that the City can endure any economic downturn or unforeseen expenditures. As in previous years, staff will continually monitor the city's economic situation for both revenues and expenditures throughout the year to stay within the parameters of the proposed 2019-20 annual budget.

General Fund revenue projections, excluding any fund balance, are \$13,569,750. This is an increase of \$453,835 or 3.46% over last fiscal year. Some of the major contributing factors to this increase is State Shared Revenues (State Income, State Sales and Auto Lieu Tax) which are increasing approximately \$338,000 or 6.40% over last fiscal year due to additional statewide revenue collection to State Sales Tax and Auto Lieu Tax. In addition, Interest Revenue (PFM and Great Western Bank) should increase \$301,000 or 420% over last fiscal year. This large increase is due to an interest rates increasing at Great Western Bank (from .2% to 2.0%) along with better market conditions with the City's investments with PFM. Overall, the revenue outlook for the General Fund should remain stable in Fiscal Year 2019-20.

Staff is recommending that the primary property tax rate, for the City of Eloy, **decrease** from \$1.1210 to \$1.0867 per \$100 of assessed valuation. By decreasing the rate to \$1.0867, or \$.0333 over last year's rate of \$1.1210, the City would generate approximately \$1,132,865 compared to last year's collection of \$1,115,820 resulting in an increase of \$17,045 to primary property tax revenues. For example, if a home has an assessed valuation of \$100,000 and the primary property tax rate is \$1.0867 then the annual primary property tax rate for the City would be \$108.67. This represents an annual decrease of \$3.43 or approximately \$.29 a month to a homeowner over last year's tax collection.

The amount of General Fund reserves, also known as Fund Balance being budgeted in Fiscal Year 2019-20 to cover one-time expenditures, is \$6,825,000. Of the \$6,825,000, \$5,600,000 will be used for the construction of a new Police Facility, \$140,000 is for street projects (these funds are from the Dilley contract), \$375,000 will be for City matching funds for grant related projects (\$225,000 housing grants and \$150,000 for a Gila River grant), \$60,000 will be used to repair the compactor transmission and \$25,000 for the construction of the Transfer Station in the Sanitation Fund and \$600,000 will be used for the rehabilitation and recoating of the north water storage tank at Booster Station 1 in the Water Fund.

As projected revenues in the General Fund have increased slightly, total operating and maintenance expenditures for the General Fund, excluding transfers, have decreased slightly. In FY 2019-20, total operating and maintenance expenditures are \$4,063,165, which is a decrease of \$43,095 or 1% over last fiscal year to \$4,106,260. This decrease is a result of last year's one-time payment of vacation and sick leave due to converting to Personal Time Off (PTO) and the City entering in an IGA with Pinal County Court to consolidate court staff, expenses and operations.

In addition, this budget proposal includes a maximum merit increase of 2.5% for all eligible employees, which will cost approximately \$100,000 including benefits. Staff is projecting a 7% rate increase to the employee medical insurance premium this fiscal year, which will cost approximately \$125,000 annually. Arizona State Retirement System (ASRS) will be making a slight increase in retirement contributions, for both employee and employer, from 11.80% to 12.11%. Public Safety Personnel Retirement System (PSPRS) is increasing the employer contribution rate from 36.95% to 39.24%. These retirement rate increases will cost approximately \$56,300 more than last fiscal year. In FY 2019-20, staff is recommending that a part-time Management Assistant be converted to a full-time position focusing on public

information/affairs, and that a part-time Community Service Officer (CSO) be converted to a full-time position in the Field Operations Division of the Police Department.

The Enterprise budgets, which consist of Water, Sewer, and Sanitation, are \$6,681,325. In Water Fund, projected revenues, before transfers, will be \$2,784,165. This is an increase of \$296,875 or 11.94% over last fiscal year. The reason for this increase is due to the selling of water rights to the City of Surprise. In the Sewer Fund, projected revenues will be \$1,367,675. This will be a decrease of \$15,070 or 1.1% over last fiscal year. This decrease is based on historical data collection and a decrease in customer billing accounts in the Sewer Fund. In FY 2019-20, staff will be commissioning a rate study for water, sewer and sanitation. The last rate study conducted was in 2013 and facilitating a new study will help staff develop a more comprehensive plan to maintaining the Enterprise Systems. In FY 2019-20, staff is planning over \$600,000 in capital infrastructure improvements to Booster Station 1 focusing on the rehabilitation and recoating to the north tank.

In the Sanitation Fund, projected revenues, before transfers, will be \$1,569,785. This is an increase of \$98,225 or 6.67% over last fiscal year. Of this increase, \$34,500 comes from landfill fees usage, \$50,000 from potential fee increases to landfill fess and \$24,360 from sanitation rates. Additionally, staff is reviewing current user fees and rates to make sure the current operation of the landfill is profitable. Furthermore, \$300,000 is budgeted to construct a transfer station. Staff proposes to evaluate construction of a transfer station, as an option to reducing operational expenses.

Special Revenue Funds are primarily consist of Streets, LTAF, Grants, Capital Projects, Impact Fees, Public Safety Complex, Airport, Cemetery and other subsidies. This year's total budget for all Special Revenue Funds is \$23,344,870. This is a decrease of \$10,524,420 or 31.28% over last year's budget of \$33,969,290. The main reason for this decrease is the City completed the WIFA projects for Water and Sewer along with the completion of the construction of the City Hall. The City does have the budget capacity should a grant be awarded, which has not been identified in the current budget.

Lastly, the estimated total for all capital projects for FY 2019-20, excluding the Grants Fund, is \$12,124,400. Out of the \$12,124,400, \$5,600,000 will be for the design and construction of the Police Facility, \$600,000 will be for improvements to Booster Station 1 in the Water Fund and \$360,000 will be for a transfer station and equipment repair in the Sanitation Fund. Another \$1,723,000 will be for road improvements and \$2,257,000 for equipment, vehicles, and other infrastructure improvements in the Capital Improvement Fund.

In FY 2018-19, the City completed several major projects. Some of those major projects were the completion of the new City Hall, completion of the WIFA projects (Pump Station 1, Tohono 2 lift station, and treatment plant equipment upgrades), over \$1.5 million dollars of roadwork projects throughout Eloy, initiated the design phase of the new Police Facility, purchased two new police vehicles with equipment, finalized the Economic Development Strategic Plan,

completed the remodel of the Visitor Center, and remodel of the Public Works building lobby area. The Capital Improvement Plan uses various financing sources to complete projects. The plan maximizes the use of development fees, grants, one-time revenues and other financing sources that ensure a balanced distribution of costs.

### **Recap**

Staff has submitted a very strong and positive financial program for Fiscal Year 2019-20. A major focus for next year will be on completion of several major capital projects as well as an emphasis on the growth of Eloy's economic base. Overall, expect operational costs to slightly increase with the new city hall, while total revenues will see minimal growth that should keep pace with any projected operational increases.

Gratitude is extended to all of the department heads and their team members who exhibited impressive leadership and a concerted effort in developing a fiscally sound budget. This budget allows the City to continue to provide a high level of service to Eloy citizens while concurrently lowering the primary property tax rate, and work toward transforming the City of Eloy into a more prosperous and economically viable community.

## BUDGET SUMMARY

FISCAL YEAR: 2019 - 2020

DEPARTMENT: CITY MANAGER

Annual Budget: \$359,860

FTE: 2

Salary/Benefits: \$281,360

O&M: \$78,500

---

### Department Goals & Objectives:

The Administration Department is responsible for implementing the goals and policies of the City Council, and managing the daily operations of municipal government, which includes finance and budgeting, community and economic development, human resources, police, public works, library, airport, cemetery, parks and recreation, and governmental relations.

For Fiscal Year 2019-2020, the City Manager will pursue the following goals and objectives:

- ) Develop strategies to provide for the long-term financial stability of the City's enterprise funds (Water, Sewer and Sanitation) by analyzing utility rate schedules and exploring other options to generate revenues, such as selling excess historical water credits.
- ) Explore partnerships with public and private entities to share resources in order to obtain more efficiencies in the delivery of City services.
- ) Continue to actively seek grant funds from various sources for community needs and priorities.
- ) Work with the Community Development Director and Economic Development Specialist in promoting and marketing the community for the attraction of new industry and businesses to Eloy through the distribution of the e-newsletter and marketing brochures, attendance at trade shows and active outreach to developers and builders.
- ) Oversee the successful completion of capital infrastructure projects, including the development of the remodel/reconstruction of the Police Department and improvements to the City's water and sewer systems, parks and roads.
- ) Continue to focus on retaining and attracting qualified employees who will provide excellent customer service to Eloy residents and businesses.

**New Positions:** A new full-time position in the City Manager's office is proposed in the FY2019-2020 budget. This position will provide administrative support to the City Manager, serve as a Public Information Officer for the City, and assist with special projects.

**Department Goals & Objectives:** To provide a high level of service through our planning and zoning, building safety, code compliance and economic development division staff that fosters a safe, functional, aesthetic and clean community and a diversified and expanded employment base.

The Planning and Zoning Division coordinates both long-range and current planning activities within the city and accommodates the City's efforts to grow its existing employers and locate new companies that meet its strategic objectives. Long-range activities include administering, updating, and implementing the City of Eloy General Plan, and participating in other land use, transportation, and economic development planning related studies. Current planning activities include the administration, review and approval of all rezoning, conditional use permits, variances, preliminary and final plat applications. City staff also administers / augments / updates the city's zoning districts, zoning code, zoning map and subdivision ordinance. This division also provides staff support to the Board of Adjustment, Planning and Zoning Commission, Downtown Advisory Commission, and City Council for their recommendations and decisions.

The Building & Safety Division is responsible for maintaining and enhancing the structural integrity of buildings and the safety of building occupants in the City. The staff conducts plan review and approves, reviews applications for building permits which allow construction to take place.

The Code Compliance Division is responsible for administering all city ordinances to protect community health, promote public safety and enhance the quality of life in Eloy. The City's Code Compliance staff responds to potential violations such as junk and debris on private property, weeds, on-site recreational vehicle parking and storage, inoperative vehicles, building regulations, illegal signage and unauthorized home occupations.

The City has also retained an Economic Development Specialist to take primary responsibility in responding to job related inquiries, requests for project information forms (PIFs), assisting the Chamber with business retention and expansion efforts and serve as the City's point of contact for job attraction efforts-all to enhance the City's job base.

## BUDGET SUMMARY

FISCAL YEAR: 2019 - 2020

DEPARTMENT: POLICE - FIELD OPERATIONS

Annual Budget: \$3,386,995

FTE: 29

Salary/Benefits: \$3,281,745

O&M: \$105,250

---

### Department Goals & Objectives:

The mission of the Eloy Police Department's Field Operations Division is to provide high-quality police services to the community, while fostering positive community relations through our daily interactions with the public.

The Department has two (2) sworn vacancies and will work diligently during the next fiscal year to fill these positions with highly qualified applicants.

The Field Operations Division will continue to provide a safe environment to the community through high-visibility police patrols, proactive policing activities and targeted enforcement directed at criminal conduct and impaired/aggressive driving.

### New Positions:

The 2019-2020 fiscal year budget includes a request to expand the Community Services Officer (CSO) program from one (1) full-time position to two (2). During the next fiscal year, through City Council Authorization, the Department is seeking to convert a vacant PT CSO position into a FT CSO position. The Department did not have success attracting applicants with prior law enforcement and/or police officer experience to the PT position but is hopes that by converting it to a FT position, applicants with prior law enforcement experience, particularly retired police officers, will apply. Funding a second FT CSO position will be in-line with the recommendations made by CityGate in their Comprehensive Staffing and Services Delivery report.

---

### Department/Division Goals & Objectives:

The mission of the Eloy Police Department is to foster positive community relations through daily interactions with citizens and participation in specific police-community programs.

The Animal Control division has a continued goal for the next fiscal year to increase the amount of participation at the rabies clinics and the number of animals that are licensed within the city limits. This will increase the number of stray animals returned to the owner and decrease the necessity of putting animals to sleep.

Animal Control will also continue to increase the number of animals that are spayed/neutered and adopted out to new families.
