

# Household Hazardous Waste Drop off Event

Saturday, **November 16<sup>th</sup>, 2019** - 8a.m. to 12p.m.

**Collection area is located on the Northeast Corner of 11 Mile Corner Rd and Battaglia**

The City of Eloy, in partnership with Right Away Disposal, has organized a Household Hazardous Waste event for Saturday, November 16<sup>th</sup>, 2019. Discarding household hazardous waste items into your trash or recycling container is prohibited. Illegal disposing into the surrounding desert can cause long term safety and environmental problems. We encourage residents to bring any household hazardous waste items to this event. There is no charge; all you will need is a recent City of Eloy water bill and your Drivers' License for verification. We look forward to seeing you at this year's event!

Household hazardous waste is considered to be any leftover or unused portions of man-made products you may use in your kitchen, bathroom, garage, automobile, or yard.

## Items that will be accepted at this event include:

Paint and Paint Cans, Motor Oil, Appliances, Tires (only four tires allowed per homeowner, no rims), Batteries, Cleaners, Lubricants, etc...

Please contact the City of Eloy, Public Works Department at **520.466.3082** for questions.
