

Did You Know?

Did you know that you have the power to bring \$30,000 to Eloy over the next 10 years? That's right, \$30,000.

So, now you are wondering if this is fake news.
It is not.

All you have to do is fill out your 2020 Census form, and you will bring \$30,000 to our community for each person in your household.

Every baby, every granny and everyone in between means \$30,000 from the Federal Government to programs we all use here in Eloy. Programs such as: School Lunch Programs, WIC - Women, Infants, and Children, Snap - Supplemental Nutrition Assistance Program, Head Start, CAHRA, Housing Assistance and Medicaid - AHCCCS, all depend on these funds.

There is no citizenship question and the Census Bureau is required by law to protect any personal information and keep it strictly confidential. ... Your answers cannot be used for law enforcement purposes or to determine your personal eligibility for government benefits. By law, your responses cannot be used against you.

If you have already filled out your form, Thank you!
