**ZONING USE QUESTIONNAIRE
(FOR BUSINESS LICENSE APPLICATIONS)**

Consideration of your request for a City of Eloy business license requires the following information for the Planning and Zoning Division in order to determine the legality of your proposed use of property:

Business Type: _____

Please explain in detail what type of **work will be done**: _____

Will your business occupy a permanent structure in the City of Eloy? _____ Yes _____ No

If no, please explain the location of the property that will be used for the business:

Is the structure a residence or a commercial or industrial building? _____

| | Business - New Location | Existing Business - New to Eloy |
| | Existing Business - Lapsed License | Existing Business – Address Change |
| | Existing Business – Additional Business Activity | |

The issuance of a business license does not grant any rights to violate any provision of the zoning ordinance. There are very specific limitations on the use of a residence for business activity. Similarly, possession of a business license for a "Mobile" business does not confer the right to set on public or private property without the written consent of the owner in possession. Construction services offered to the public also require a contractor's license.
