Development Department office located at  
595 N. C Street, Suite 102, Eloy, AZ 85131

KEEP ELOY  
BEAUTIFUL

## Adopt-A-Street Program

Adopt-A-Street is a rewarding opportunity that allows residents to support the City's Anti-Litter efforts. At no cost to the participant(s), this program offers the satisfaction of making a contribution to the community. The Adopt-A-Street program requires organizations to make a full commitment to pick up litter along a designated one mile stretch of roadway, twice per year. Participant of this program must be 12 years of age or older and must be accompanied by an adult during all community service efforts performed.

### How it works:

An organization, group or family may apply to adopt a one-mile section of roadway (approved by the City of Eloy). Through the adoption, participants will have the responsibility to picking up litter within their specified mile of roadway, a minimum of two times per year over a two-year commitment.

In return, the City of Eloy will post two prominent signs recognizing the participant or participants.

### How to get started:

- 1) Review map of current streets available for adoption with Community Development-Code Compliance Division
- 2) Submit all completed application to Code Compliance Division

For additional information, please contact the Code Compliance Division via telephone at 520-464-3172 or via e-mail:
